FOR IMMEDIATE RELEASE

GOLBON ANNOUNCES PARTNERSHIP WITH BUYERS EDGE PLATFORM

Boise, Idaho

Golbon, a leading foodservice buying and marketing group dedicated to the success of independent distributors, is excited to announce a partnership with Buyers Edge Platform. This unique partnership provides Golbon Members with the ability to enhance margins, earn additional income, access cutting edge tools, and be more competitive on the street.

“We are excited to launch a new partnership with Buyers Edge Platform to drive the success of our independent Distributor Members. Providing our Members with innovative solutions, service, and support to grow their business and compete is at the core of what we do. This partnership will expand our supplier solutions to drive value and new opportunities for our Members.” stated Kevin Wilson, Golbon President.

Beyond earnings, Members will be able to leverage the Buyers Edge Platform Distributor Portal to access customer insights for driving sales and growing market share across participating customers.

“Buyers Edge Platform is eager to announce a partnership with Golbon. This partnership will allow participating Golbon Members to access the vast suite of tools and solutions that Buyers Edge offers foodservice operators in all segments of the industry, providing product cost assistance and solutions to reduce overall operating costs. Through our partnership, participating Golbon Distributor Members will be in a strong position to grow their case sales, acquire new customers, reduce account churn, and compete more aggressively in their marketplaces.” said, Hans Schatz, Senior Vice President, Enterprise Solutions.

###

About Golbon

Golbon is a national foodservice buying and marketing group headquartered in Boise, Idaho. Formed in 1963, Golbon consists of hundreds of leading Distributor Members and Supplier Partners. Golbon Distributor Members take advantage of aggregated purchasing opportunities, personalized service, marketing support, innovative solutions, education, and relationship-building opportunities to drive profit and success across their total business.

About Buyers Edge Platform

Buyers Edge Platform was founded in 1998 with the mission of revolutionizing the foodservice industry through technology, purchasing power, and partnership. Buyers Edge Platform partners with stakeholders across the industry value chain, including operators, distributors, and manufacturers, providing data visibility and purchasing transparency. Underpinned by over \$60B of aggregated spend volume, the Company empowers stakeholders to reduce their costs, streamline supply chains, and utilize technology to run their businesses more efficiently and profitably. Buyers Edge Platform's portfolio of brands delivers integrated solutions across four business units – spanning Digital Procurement Network, Fresh Solutions, Supply Chain Management, and Software – which, combined with over 25 years of operating experience, unlock value for its diversified network of more than 200,000 restaurant operator locations.
